

# SERGEI CHERNITSYN

Toronto ON L4K 0K6 · (647)-241-1622

## PROFESSIONAL SUMMARY

I'm a highly motivated Software Engineering graduate with proficiency in Java, JS, C++, C#, Typescript, React, and a lot more!. Over the course of my studies, I've demonstrated analytical and coding skills through numerous academic projects while being a collaborative and motivated team player with strong communication. I'm looking for a role which will enable me to apply my skills and fresh perspectives.

## HIGHLIGHTS

- Knowledge of Object-Oriented Programming
- Proficiency at modeling, creating and maintaining databases
- Working knowledge of SQL, C#, Java, JS, PHP, TS, Next JS, React
- Knowledge of the Microsoft Office Suite (Word, Excel, PowerPoint, Outlook, SharePoint)
- Able to design user interfaces for the web, desktop and mobile applications using best practices and platform guidelines
- Able to design, program and maintain websites
- Able to design and program desktop applications using C++, C#, Python, or Java
- Knowledge of the best business practices
